VOLUNTEERING WITH LINK

Do you have a little time to give? We need drivers and coordinators. You might need this service one day.

DRIVERS

We always need drivers! You decide on how much or little time you can offer. Drivers are reimbursed all expenses.

COORDINATORS

Could you join our team to take bookings and liaise with drivers to organise transport?

*"Link helped me when
I needed it...
...now I drive for them."*

*"Link came to the rescue
when I couldn't drive."*

HOW CAN LINK HELP YOU?

HOW MUCH DOES IT COST?

No direct charges are made but Link relies on donations from its users. All donations are used to provide the service, which is operated entirely by volunteers who give their time freely but do receive a mileage allowance (currently 45p per mile).
