

Link Schemes provide transport to and from Hospital and Doctors' appointments and in some cases other tasks such as shopping, picking up prescriptions, library books and other Good Neighbour Tasks.

Tisbury and District Link Scheme can be contacted on 01747 870194 to book transport or to enquire about any other tasks.

This is a voluntary car scheme run entirely by volunteers. It is essentially a free service for those who cannot access public transport, however, clients are invited to give a donation to cover the volunteer's fuel costs.

Link Schemes are always on the lookout for Volunteers both as drivers and Committee

Members. Please call 01747 870194 to enquire about becoming a volunteer.
