

## **Overnight closures for maintenance on the A36 Deptford to Crockerton & A303 Longbarrow to Deptford**

We'll soon be carrying out maintenance on the A36 Deptford to the Crockerton Roundabout and the A303 between Longbarrow and Deptford. This includes repairs and surveys of the road surface, vegetation clearance, and barrier repairs.

### **Closure information**

The **A36 will be fully closed between Deptford Interchange and the Crockerton Roundabout** from 9pm to 5am on Monday 15, Tuesday 16 and Wednesday 17 July, with work finishing at 5am on Thursday 18 July.

A diversion will be in place in both directions via the A350 and A303.

The **A303 will then be fully closed between the Longbarrow Roundabout and Deptford Interchange** from 9pm to 5am on Tuesday 27, Wednesday 28 and Thursday 29 August, with work finishing at 5am on Friday 30 August.

A diversion will be in place for eastbound traffic via the A36 south and A360. For taller vehicles, please follow A36 north, the B390 and A360. For westbound traffic, please follow the same routes in reverse.

Access will be maintained for properties with direct access off the A36 and A303 during the closures. Where possible, noisy work will be completed in the early evening so that overnight noise is kept to a minimum.

This work is subject to favourable weather conditions, for example heavy rain may affect the progress.
